

VT55

Universal TPMS sensor reader

- POCKET SIZE
- EASY OPERATION
- LARGE GRAPHIC DISPLAY
- STRONG ABS CASE
- UPGRADABLE

The VT55 is a powerful and compact tool for all car manufacturers smart tire pressure devices.

You only have to select the car manufacturer on the VT55 menu and the tool find which TPMS sensor is installed on!

It also displays sensor data including: sensor ID, pressure, battery state and temperature.

Its compact size and very easy operation makes it the ideal maintenance TPMS tool.
